

Unit 5 - Names

Lesson 3 - Understanding Foreign Names

Activity

Play again with the questions and answers from yesterday. Have students ask each other their names. Review homework pages.

Activity

Write the names of many countries along the top of the board.
Invite students to write their last names under a country if they know from where it comes.
Ask students what their last names mean.

Discuss

- What can you tell about a name by looking at its prefix or suffix? Refer to chart on p.27.
 - Circle any prefixes or suffixes on the names on the board.
 - Create new last names based on these prefixes and suffixes.
